

Make a donation today to the Texas Shrimp Association!

The Texas Shrimp Association is asking for your investment, for the future of our Gulf shrimping industry in the United States. Your generous donation and continued support is vital to the survival of our industry.

The Texas Shrimp Association develops strategies to educate consumers, lawmakers, press, environmental groups, and the public about the importance of the promotion of uniform standards, quality control, and best practices for the safe harvesting, processing, and transportation of USA Gulf shrimp and shrimp products. TSA also educates the public with respect to the healthful benefits and other desirable characteristics of domestic wild caught shrimp in the USA.
